JIM CARROLL

Jim Carroll is one of the world's leading futurist, trends and innovation experts. Over the last 30 years, Carroll has shared his insight with more than 2 million people in attendance at his events. He is recognized within the global speaking industry for his highly customized, heavily researched, industry-specific keynotes, leadership presentations and small, intimate senior leadership meetings.

Jim's global client list is extensive and covers virtually every industry sector, including the World Bank, Volvo, NASA, the PGA of America, the Walt Disney Organization, the World Government Summit in Dubai, the Swiss Innovation Forum, the Wall Street Journal, National Australia Bank, WorldSkills, Microsoft, Johnson & Johnson, DuPont, The GAP, the US Air Force Research Laboratory, Godiva, SAP, Pfizer, Mercedes Benz, and hundreds more.

With a front row seat to the high velocity change that is occurring as disruption comes to take hold of every industry and every organization, he helps to transform growth-oriented organizations into high-velocity innovation heroes! Countless global organizations have engaged Jim for his unique insight and proven track record in providing a customized leadership program that will let you see disruptive trends, focus on opportunity, align to disruption, unlock creativity, achieve agility and enhance your speed, collaborate more and deliver on growth opportunities!

Jim provides high energy keynotes for audiences of 50 to 5,000, as well as intimate, customized strategic planning sessions for CEO/CxO, board, and senior management meetings. He has researched key innovation success factors for dozens of organizations and industries including life sciences, health care, insurance, automotive, manufacturing, agriculture, technology, education, government, consumer products, retail, banking and countless others.

Jim is known for his ability to take on unique, highly customized topics for senior leadership teams that align to a particular strategic goal or topic area, including the future of the space industry for NASA – twice; the future of pharma and healthcare for Pfizer in Paris – 6 months before Covid, accelerating innovation in the golf industry for the PGA of America, the future of manufacturing in 3rd world countries for the World Bank, and innovation and creativity in a world of upside down trends for the Walt Disney Corporation. He has developed a well-honed reputation within the global speaking industry for being the go-to-guy for virtually any type of specialized, unique trends or innovation topic.

Jim's insight has been covered in countless global publications, including the UK Telegraph, Dubai's Capital Magazine, South Africa's The Star, the BBC, Reuters and AP News, among others. BusinessWeek named Jim Carroll as one of four leading sources for insight on innovation and creativity, and he was also a featured expert on the prime-time CNBC series, The Business of Innovation.

In addition, he has published numerous books, including *Now What: Reinvention and the Role of Optimism in Finding Your New Future*; *Think Big, Start Small, Scale Fast*; *Surviving the Information Age*; *The Future Belongs to Those Who Are Fast*; *Ready, Set, Done*; and *What I Learned From Frogs in Texas: Saving Your Skin with Forward Thinking Innovation*.
