

## SCOTT HAMILTON

The most recognized male figure skating star in the world, Scott Hamilton has won over 70 titles, awards, and honors including an Emmy Award nomination, induction into the United States Olympic Hall of Fame, and status as a privileged member of the World Figure Skating Hall of Fame.

In 1984, Scott captured the attention of the world with his Olympic Gold medal performances in Sarajevo and has since shared his love and enthusiasm for the sport as an analyst, commentator, performer, producer, and best-selling author (*Landing It*, 1999; *The Great Eight*, 2009). As a speaker, humanitarian, and a cancer and pituitary brain tumor survivor, Scott Hamilton takes further pride inspiring others to overcome and grow.

After losing his mother to cancer and then becoming survivor himself, Scott became an activist and launched the Scott Hamilton CARES Foundation (Cancer Alliance for Research, Education and Survivorship). He founded several education and survivorship programs including Chemocare.com and the 4th Angel Mentoring Program. Events such as *Sk8 to Elim8 Cancer* and *An Evening with Scott Hamilton & Friends* help fund research and make patient treatment programs possible.

He is also the founder of the Scott Hamilton Skating Academy at Ford Ice Center in Antioch, TN, where he may frequently be found coaching Learn to Skate students and sharing his love of skating.

In what little free time remains, Scott can be found on the golf course and enjoys spending time with his wife Tracie and four children at their home outside Nashville, Tennessee.
