## **DANIEL MARTIN**

Daniel Martin has quickly become one of the most in demand performers touring today. His high-energy performances are a unique fusion of Exhilarating Magic, Psychological Illusions & Sarcastic Improv which continually leads to record breaking crowds at theaters, universities and Fortune 500 events worldwide. This year Daniel teamed up with JTV to begin hosting his new travel show ***Tricks & Travels***.

Daniel was recently awarded "**Best Variety Artist**" & "**Best Male Performer**" after winning the award for "Entertainer of the Year".

In addition, he has been recognized in his industry as the highest rated/best reviewed touring act in the nation! His awarding winning magic has been experienced on **NETFLIX**, CBS, NBC, the **BBC**, Discovery and by almost a billion online.

He is hailed by his peers as one of the most creative acts working today with some of the biggest names in the corporate world and entertainment frequently choosing Daniel to consult on their own live shows and TV projects.

At the early age of 6 Daniel's grandparents tried to avert his newfound interest of pick pocketing. They put his quick hands and devious nature to better uses by purchasing him a magic kit. It was love at first trick. He began doing shows for anyone that would watch. At only 12 years old Daniel began performing shows professionally and continued doing so at some of the swankiest hotels, clubs & restaurants in Chicago. It is here where he developed his style and performing chops with his innovative mix of deception and comedy. After years of development on his live stage show & receiving national attention, he began touring the globe with his critically acclaimed one man "**i-Magish**" & "**MAGIC MADE ME DO IT**" shows. Daniel still owns his Fisher Price Magic Kit and will now only pickpocket on occasion.
