

DEBORAH BIRX, M.D.

BUZZ

"[Dr. Birx] was absolutely fantastic this morning. We are ecstatic that she was part of the program!"

-WWSG Customer

ABOUT DEBORAH BIRX

Deborah L. Birx, M.D. is a world-renowned medical expert and leader whose long career has focused on clinical and basic immunology, infectious disease, pandemic preparedness, vaccine research, and global health. Her career began serving the United States as an Army Colonel and later turned into running some of the most high-profile and influential programs at the U.S. Centers for Disease Control and Prevention and U.S. Department of State.

Dr. Birx served as the White House Coronavirus Response Coordinator where she used complex data integration to drive decision making, providing recommendations to Vice President Michael Pence and working closely with state officials across the country to provide state-specific advice and guidance.

In 2014, Deborah Birx became an Ambassador-at-Large when she assumed the role of the Coordinator of the United States Government Activities to Combat HIV/AIDS. As the U.S. Global AIDS Coordinator, she oversaw the of the \$6 billion annual budget U.S. President's Emergency Plan for AIDS Relief (PEPFAR), the largest commitment by any nation to combat a single disease in history. She also managed all U.S. Government engagement with the Global Fund to Fight AIDS, Tuberculosis, and Malaria.
